# Message from Salon Chairman

I am happy and delighted to share our 3rd TPAS International Salon of Photography 2018 catalogue with you for your appreciation and appraisal.

Taking a note and learning from our two earlier salons, this 3rd Salon was a hallmark with our elite Jury Panel from India doing honors along with an International Jury Mr. Ovi D Pop from Romania.

Congratulations to you all for fantastic results and stunning photographs. With more than 300 entrants, close to 5000 images and more than 110 foreign entrants, this indeed was a very satisfying result in the time where Salons are struggling to go past a number of 150 to 200 entrants.

The judging standards, quality and venue were at par or beyond the top international standards. With this quality of judging I thank photo enthusiasts across the world for capturing great moments and sharing the same in our salon with great works being duly appreciated and rewarded.

For many it would be a learning on improvising their works and doing better in times to come. Winning or losing is not important but the spirit of participation is importantly more commendable.

In an endeavor of our club Tricity Photo Art Society (TPAS), Chandigarh, a government registered non profit voluntary photo art organization truly promoting photo art in the region and across the globe, TPAS was ranked India's No 4 Club by Federation of Indian Photography in their recent ICC 2018 competition, I look forward to scaling newer and higher heights for all next year.

Also would like to thank my Salon Secretary and my Salon organizing Committee for doing a herculean work with their efforts and contribution and Club TPAS and its members for their support and faith. All thanks to Jury for traveling a long distance and showing great spirit to start with the judging immediately on the same day.

Last but not the least grateful to all national and international entrants for their faith and trust in TPAS. Special mention to Hon. Secretary General Dr. B. K. Sinha for his support and guidance and FIP, FIAP, PSA, IUP and ICS for their Patronages and support.

Look forward for your participation in our salon next year with better works and better results. The faith and trust would be even better.
